MARGATE COUPLE CELEBRATE 50 YEAR ANNIVERSARY BY WINNING NEW CAR

A Margate couple celebrating their 50th wedding anniversary in February received a welcome early gift this week, winning a new car in a competition run by local pharmacy TerryWhite Chemmart.

Beverley Kenyon, a pensioner from Margate, will be swapping her mobility scooter for a brand new Holden Astra, which she won by swiping her loyalty card at the TerryWhite Chemmart pharmacy in Margate.

Mrs Kenyon said the win could not have come at a better time.

"I only found out Friday so it certainly is a good start to the New Year. My husband and I will be celebrating our 50th wedding anniversary in February so it's a great early gift," Mrs Kenyon said.

"We do have a family car but its 10 years old and I currently use a mobility scooter, so the new car is very welcome.

"I was so surprised because I never knew I was in for a prize. I've never won anything before so that was great," she said.

Mrs Kenyon and her husband Bob have lived on the peninsula their whole married life, raising their two boys and now enjoying spending time with their three grandchildren.

"We moved to the area when we got married because we liked the school system in Brisbane and knew it would be a lovely place to raise our family.

"Back then, there was only one little pharmacy in Margate or Kippa-Ring, so the area has certainly grown a lot in those 50 years."

The 2019 Holden Astra Summit Hatchback, valued at \$26,000, was presented to Mr and Mrs Kenyon on Thursday at the TerryWhite Chemmart Margate pharmacy by store manager Suzanne Clendinning and Allan Ely from Motorama Springwood.

"This was a competition run nationally so we are very proud the car was won by one of our loyal customers who live here in Margate and Beverley is a very deserving winner," Suzanne said.

"Beverley is a regular here at our store and we are just so happy she will be able to swap her mobility scooter for a brand new car."

The prize includes dealer delivery charges, registration plate fee, stamp duty, 12 months registration and 12 months compulsory third party insurance.
